The Exciting New Interactive CD Where It's Okay to Put Kids in Complete Control!

CJ's Closet™ is an educational, biblically-based software product where kids get the chance to choose the adventures' outcomes for themselves! Not only do kids love the chance to be "in the driver's seat", but parents love CJ's Closet™ because each story is based on values found in the Bible. No, it's not "churchy"... just good, clean fun that positively reflects the integrity that parents truly want for their kids.

OTHER SPECIAL FEATURES:

Online Clubhouse • Original Music • Mac/PC Cross-Platform Software
Exciting Future Products

Kids love it because it's very fun, and parents want to buy it because it's wholesome entertainment that helps to develop strong character in their kids.
